

# IOSH Managing Safely

Managing Safely is a course for managers and supervisors in any sector and any organisation.

## **Who should attend**

It's designed to give all managers and supervisors all they need to know to help them handle health and safety in their teams.

## **What will you learn**

The flexible new high impact programme covers all the main health and safety issues, and includes a session tackling the environment too.

## **Course content**

- Assessing risks
- Controlling risks
- Understanding your responsibilities
- Identifying hazards
- Investigating accidents and incidents
- Measuring performance
- Protecting our environment

## **Course duration**

The course lasts for 24 hours in total. Managing Safely can be delivered over 5 days or on single days, the fifth day is for students to complete their practical assessments.

## **Certification**

Delegates who successfully complete the written and practical assessments at the end of the course are awarded an IOSH certificate in Managing Safely.
