

# IOSH Working Safely

Working Safely is a one-day course for staff from any sector with no supervisory or managerial responsibility. It provides a grounding in the essentials of health and safety.

## **Who should attend**

Everyone at work should have an understanding of why they must 'work safely' and this course offers exactly that.

## **What will you learn**

Working Safely introduces a completely new approach to health and safety training and offers all the basics in a high impact interactive package in all basic aspects of health and safety within the workplace.

## **Course content**

- Module 1 – Introducing working safely
- Module 2 – Defining hazard and risk
- Module 3 – Identifying common hazards
- Module 4 - Improving safety performance
- Module 5 – Protecting our environment

## **Course duration**

1 Day (6 Hours)

## **Certification**

For delegates who attend the course and successfully complete the written and practical assessments, there is a choice of accreditation, either an IOSH working safely certificate or an IOSH passport card
